## **FREIGHT AND HANDLING CHARGES**

**We have selected the cheapest method possible.**

Western Australian customers pay the freight direct to Australia Post using their Addressee to Pay (ATP) service. Interstate customers pay only the freight direct to Australia Post using their Cash on Delivery (COD) service. This ensures you pay the exact amount for freight and not a retailer's approximation or standard.

If you wish to specify your own freight carrier please contact us.

A packaging and handling charge of \$6 will only be charged on orders less than \$150.00.
